Note: 3-501.19	This facility has established a time as a control policy, (using the SFCHC forms), for controlling cut lettuce and cut tomatoes. Please be advised the foods must be marked with a discard time that is no longer than 4 hours from the time removed from temperature control.	6-14-16	<i>[Signature]</i>
Note: 3-304.15A	It was verified by discussion with Mr. Williamson that food employees are no longer re-using plastic gloves intended for single-use purposes. He was advised that employees must change gloves often and wash their hands when changing gloves.		
6-501.111 B-C	Mouse droppings were observed on the floor in the room containing the ice machine. Also, mouse dropping were observed below the 3-vat sink in the bingo hall. The presence of insects, rodents, and other pests must be controlled to minimize their presence on the premises. Please clean and remove all evidence of pest activity and intensify pest control measures to include control for rodents. (A copy of a pest control service agreement with Kammermann's Pest Control was provided during this visit).		
2-201.11 A-E	It was determined an employee illness policy was not present in written form. Please develop a written policy that will require food employees and conditional employees to report to the person-in-charge information about their health and activities as they relate to diseases that are transmissible through food. Also, the policy must describe when and under what conditions a food employee may be restricted, excluded and the procedures for reinstating a food employee. The US FDA Employee Health & Personal Hygiene Handbook may be utilized in the development of this policy and may be used as the policy. If so, please provide a written statement for use of this.		

Code Reference	CORE ITEMS Core items relate to general sanitation, operational controls, facilities or structures, equipment design, general maintenance or sanitation standard operating procedures (SSOPs).
