The complaint was received in the SFCHC office on July 27, 2018 that alleged numerous flies were a problem in the deli-meat and bakery departments. This issue was discussed with Mr. Mark Halter, Facility Manager, and with Ms. Robin Mecey, deli manager. Ms. Mecey stated that fly strips were installed in areas where food and food-related items cannot be contaminated from falling fly parts. A lighted insect-trapper is also installed. It was recommended that air curtains be installed above doors to outside entries that automatically blow when the door is open, to empty trash cans frequently, to keep trash cans lidded, and to discuss control options with their pest control company. Flies did not appear to be a problem during this visit.</p>
