Peas and carrots
Fruit cup
Milk - 41F in refrigerator
Refrigerator/freezer, ambient 38F/10F

A certification of vaccination for rabies was provided during this visit for the owner's pets: feline (Ester) and canine (Mercy).

A sample of water was collected for bacteriological analysis during this visit. A desk approval will be granted when the analysis shows the water is satisfactory for drinking.

The on-site wastewater treatment system was observed and appeared to be functioning correctly.

No violations were noted during this visit.
