

St. Francois County COVID-19 Community Status Plan: Yellow Guidance

Individuals

VULNERABLE INDIVIDUALS should continue to limit non-essential travel. Precautions should be taken to isolate vulnerable residents. Engage in public health safety measures.

GENERAL POPULATIONS: Social settings of more than 50 people, where physical distancing isn't practical, should be avoided, and nonessential travel can occur

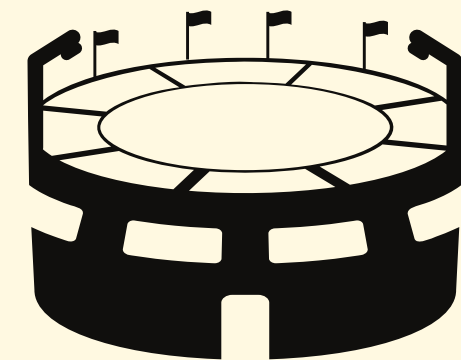

EVERYONE should be practicing good hygiene in accordance to CDC guidelines, social distancing, using face coverings when we are unable to social distance, and staying home when sick

Public Places

VISITS TO SENIOR CARE FACILITIES AND HOSPITALS should be prohibited. Those who do interact with residents and patients must adhere to strict protocols regarding hygiene

LARGE VENUES (ex. sit down dining, movie theaters, sporting venues) can operate under moderate prevention protocols

BARS should operate with diminished standing room occupancy

SCHOOLS AND ORGANIZED YOUTH ACTIVITIES (e.g., daycare, camp) can be open, but should strongly consider using public health safety measures

GYMS should adhere to standard sanitation protocols
